

THE PROGRAM

Philosophy is the study of the nature of reality, knowledge, and value. It is a discipline that seeks to understand the fundamental principles of existence and the human condition. The program offers a rigorous and comprehensive education in the history and theory of philosophy, preparing students for careers in law, business, education, and public service.

The program is designed to provide students with a strong foundation in the history and theory of philosophy, as well as the skills and knowledge necessary to succeed in a variety of careers. Students are encouraged to explore a wide range of philosophical issues and to engage in critical thinking and analysis.

Philosophy is a discipline that seeks to understand the fundamental principles of existence and the human condition. It is a rigorous and comprehensive education in the history and theory of philosophy, preparing students for careers in law, business, education, and public service.

INTERNSHIPS/UNDERGRADUATE RESEARCH

Students are encouraged to participate in internships and undergraduate research opportunities. These experiences provide students with hands-on experience in their field of study and help them to develop the skills and knowledge necessary to succeed in a variety of careers. The program offers a wide range of opportunities for students to engage in research and to work with faculty members on projects of interest.

BEYOND THE CLASSROOM

Students are encouraged to participate in a variety of extracurricular activities and organizations. These activities provide students with opportunities to develop their leadership skills and to engage in community service. The program offers a wide range of opportunities for students to get involved and to make a positive impact on their community.

THE COURSES
